Mrs. Ballantyne~  
Science/SS/Writing

This week we are beginning our unit on animals. We will be classifying animals as **mammals, birds, fish, reptiles, amphibians, or insects** based on their physical characteristics.

On **Wednesday** we will have a quiz on the six classifications and the characteristics of mammals.

On **Friday** our quiz will include the characteristics of fish and reptiles.

In writing instruction we are continuing to focus on editing our writing.

Mrs. Shealy~Math

In math this week, we will start our unit on telling time. The goal of this week is to tell time to five minute intervals. For example, reading 8:25 on the an analog clock and digital clock. We will do several activities this week to practice telling time. Please frequently ask you child at home this week what time it is when they will be near an analog clock (not digital).

Quiz: Friday
