

# ⚓ Anchors Away Weekly ~ March 12 ⚓

## Mrs. Chrisley~ELA

This week we will finish *Ida B* focusing on character traits and using prefixes and suffixes to figure out unknown words. We will continue to explore idioms. We will have our test on *Ida B* next week.

No spelling words this week.

## Mrs. Ballantyne~ Science/SS/Writing

This week we are continuing our social studies unit called *Building a Nation*. We will be discussing the reasons settlers came to the New World, and what were the effects of their coming to this land.

**We will have quizzes on Wednesday and Friday this week.**

In writing instruction we are continuing to focus on expository writing.

## Mrs. Shealy~Math

In math this week, we will start our unit on money. This week we will research pennies, nickels, dimes, quarters, and dollar bills. The students will create a poster about their piece of currency and teach the class on Wednesday. The goal of the week is to be able to identify the given coins and know the value of that coin. A great way to help with this is to empty your pockets or piggy bank and separate the coins into piles. Then name them by their name and value.

Quiz: Friday

We know Spring fever is starting to set in, baseball and softball season is upon us, and we are all a little tired, BUT please make sure all homework is being done. Last week, we had a lot of homework not completed. Homework is an important part of practicing and retaining the information we are working on at school-as well as the best way for you to see what we are doing. Thanks for your help!
